PARENT VOLUNTEERS NEEDED FOR THE 2017 FRIDAY SKI/SNOWBOARD PROGRAM

(Parents - no skiing required!)

Parents: The success of the program depends on having parent volunteers as chaperones either on a **permanent** or **temporary** basis. If this is something you would like to do, please **check off either temporary or permanent** chaperone; fill in your contact information; check the date(s) you are available - only for *temporary* volunteers (assignment based on availability); and send this form to the Recreation office **no later than November 30, 2016**. There will be a mandatory informational meeting held in early to mid December for all chaperones who volunteer. You will be notified of the date of the meeting and be given the date(s) you are needed to chaperone.

Thank you in advance for considering this fun involvement with the ski program.

☐ **Temporary** bus chaperones are needed to attend one or more evenings to assist on the bus and at the ski area. After helping the youth where needed, and after they are in lessons, volunteers will be able to ski at no charge until 9:45 p.m.

I understand that the success of this program depends on having parent volunteer chaperones and I am willing to help by being a temporary chaperone for the Friday Night Ski/Snowboard Program on the date(s) indicated below:

Jan. 6 _____ Jan. 13 _____ Jan. 20 _____ Jan. 27 _____ Feb 3 _____

In the event the program continues beyond the final date above, I would be able to attend the make-up session(s), February 10, 17, etc. yes_____ no_____

☐ **Permanent** bus chaperones are needed to attend the ski program each week. Responsibilities would be to travel by bus weekly, sharing duties with another permanent chaperone, and being available to the participants in the ski area and lodge. After helping the youth where needed, and after they are in lessons, permanent chaperones will be able to take turns on the slopes for skiing or boarding and receive rentals at no charge until 9:45 p.m. Permanent chaperones will receive a free lesson package for one child, minus transportation costs.

I understand that the success of this program depends on having parent volunteer chaperones and I am willing to become a permanent chaperone for the Friday Night Ski/Snowboard Program.
